AF Chief to be Awarded AF Cross. On 5 April, 40 years after the fact, Chief Master Sergeant (Ret.) Dennis M. Richardson will finally be awarded the Air Force Cross for his extraordinary heroism during a March 14, 1968, mission in Southeast Asia.

"GONE BUT NOT FORGOTTEN"

It is for an action that occurred on 14 Mar 1968 while Dennis was a Sgt., and serving as a Flight Engineer on HH-3Es flying with the 37th ARRS at DaNang.

During January Dennis McLaughlin and Stephan Brodsky joined our group.

In February Buck Watson, Mike Rodericks, Bob Abernathy, Bob Young, Diane Revolinski, Dave Comstock and Greg Etzel signed on.

Special note: Diane Revolinski was the first woman to join and Dave Comstock was member #100 to join. Congratulations to both.

During March Bill Kaseman, Jeff Hartman, Carlos de Mattos, Tom Heitz, Ron Loftis, Doug Stimpson, Howard Frazee and Oral Carper joined our group.

Felix (Mac) McLarney has been accepted as an Associate member. Mac has provided a wealth of information as well as pictures of the use of HH-34Js by the Air Force Reserve and of the 304th ARRS at Portland OR.

Carl Halcomb, one of our active duty members, will be moving from HQ USSOCOM, MacDill AFB to Human Space Flight Support, Patrick AFB working on the Space Shuttle and future Crew Exploration Vehicle by mid April. We wish Carl the best as he moves to his new assignment.

For all Air Force (to include AFRC and ANG) helicopter active duty, veterans or retirees. Does your mind sometimes wander off and bring back memories of old friends, humorous tales, war stories, times when the pucker factor was pegged high or just the plain "no s**t there I was" stories? Does the CRS factor tend to dull the clarity of your thoughts? What would you say should you locate a place where you could store all those rich memories of yours before CRS further erodes them and they are lost forever without your grandchildren ever

"GONE BUT NOT FORGOTTEN"

knowing? Do you recall the action that was taken when something was threatening the valuable machines we flew and maintained? The alarm would sound and the call went out to "hangar" the birds for safekeeping. There is such a "hangar" for storing all the above mentioned historical data of yours for safekeeping and that is the *USAF ROTORHEADS* [website](#) and [blog](#). As you browse these "hangars" you will find that numerous members have stored many of their memories where all can enjoy. We encourage our members continue to store additional items in the hangar. If you are not a member of *USAF ROTORHEADS* we invite you to join us before CRS blocks all of your Air Force helicopter experiences. We have plenty of storage space in the hangar and we will "leave the light on for you" in order for you to browse through the hangar" at your leisure.

Don't forget to mark your calendar for **April 17-19 2008**. These are the dates for the Pedro Rescue Helicopter Association (PRHA) Reunion in Montgomery AL. For more information go to the web site <http://pedroafrescue.org/> or contact Ed Cartwright at pedrohelicopter@yahoo.com.

The USAFHPA Fiesta San Antonio **2008** will be held **May 11 - 14** in San Antonio TX. (www.holiday-inn.com/sat-riverwalk)

The 20th Helicopter Squadron is planning their 3rd reunion. Tentative plans are **Oct 9-12, 2008** in Tucson, AZ. More details at the website www.20thhelicoptersquadronreunion.com

Check the "Reunions/Special Events" page on our website for additional reunion information. <http://rotorheadsrus.us/documents/537.html>

We are seeking information concerning the shipment of an ex-Air Force H-3 helicopter that went to Egypt during the Carter administration. If you have any information please contact us.

"GONE BUT NOT FORGOTTEN"

If you have a question you would like to place on our website, go to our website Message Board, where it is a simple process to post your message.

Jim Mardock is attempting to determine the tail numbers of the 14 CH-3s that were sent from Eglin AFB to Tan Son Nhut in Dec 65 as the 20th SOS. Check our Message Board for more details and a place to respond if you have additional information.

The Navy apparently loaned at least two UH-34Js to the Air Force from the 6th of Jan 1965 to the 25th of April 1966. If you have information about the loan of these helicopters please contact us.

"H-43 Information"

For all of you H-43 fans, especially those that served in SEA on that grand old bird, Johan Ragay has received copies of all the old Kaman "Rotor Tips" from Kaman with authorization to publish the stories on his website. He has published several of them and has more to go. If you can assist him with any info such as dates on some of these stories it would be greatly appreciated. You may contact him through his web site which is <http://www.h43-huskie.info/>.

Check the "[Links](#)" page on our website for links to other sites that document and preserve Air Force helicopter history. No one site can gather all the information so with a concerted effort we are doing a great job. These other sites have a significant amount of history posted. Check them out.

During the 1st quarter of 2008 our website was awarded several website awards. This indicates the value of the information contained on our site. Keep sending information and recruiting new members and the website will continue to grow towards our vision of becoming the site of preference when it comes to Air Force helicopter matters.
